

Product description

Application licence for enabling the BSHT 650-... virtual in-house telephone on a SG 150-... Smart Gateway. One BLSHT 250-... application licence can be imported per Smart Gateway. One free BLC 250-0 user licence is additionally required for the integration of the virtual in-house telephone. The BSHT 650-... software is available to download free of charge for your laptop/PC in Siedle's download area.

The following conditions apply to the use of an application licence BLSHT 250-0:

- Ready-to-use Smart Gateway SG 150-... with firmware from V 2.0
- Free user licence (BLC 250-0 bus licence client) for one IP user
